e.g. GL codes not yet provided — accountant to send by EOW
Payment processor TBD — client to confirm
SureTax credentials — needs new account setup

QUESTIONS / ITEMS TO CONFIRM ON DAY 1

Things that couldn't be resolved pre-kickoff — for the SA to address in session 1

RED FLAGS / RISK NOTES

Any concerns from the sales process — client readiness, data quality, complex requirements, unrealistic expectations, etc.

Onboarding Status Tracking

SA OWNED

Status must have a timeline and an owner at all times. On Hold requires a hold date — no hold date = immediate RTS. All statuses reviewed weekly.

CURRENT ONBOARDING STATUS

- On Track
- ⚠ Off Track — escalate to Fran within 24hrs
- On Hold
- RTS — Sales engages within 24hrs
- Cancel

HOLD DATE (REQUIRED IF ON HOLD)
